

My Resolutions for 2026

I believe in God and trust that He will see me through every season of my life. I resolve to live as a disciplined, skilled, and purpose-driven individual.

I commit to growing professionally by continuously improving my knowledge, leadership abilities, and competence in my field of work through learning opportunities, mentorship, and practical experience that enhance my performance and impact.

I resolve to manage my time wisely, set clear and achievable goals, and remain consistent in my efforts. I will embrace challenges as opportunities for growth and remain resilient in the face of setbacks.

I will work with integrity, accountability, and excellence in all my responsibilities.

Financially, I resolve to be more intentional by planning, saving, and investing wisely in order to achieve stability and long-term prosperity. I will avoid unnecessary expenses and make decisions that support my future goals.

Personally, I resolve to prioritize my health, well-being, and inner peace, including securing medical insurance cover.

I will nurture positive relationships that add value to my life and avoid negative energy, maintaining a balanced and healthy lifestyle.

I will practice gratitude and maintain a spirit of thanksgiving. I will believe in and accept my abilities, stay focused on my vision and mission, and trust the process of growth.

I resolve to contribute positively to my community and profession by using my skills and leadership to make a meaningful difference.

I put my trust in God, who is faithful and merciful, to sustain my salvation to the very end.

I believe that **2026 will be a year of progress, discipline, and transformational moments.**

May we all experience a season of peace, hope, love, and unity in 2026.

In Jesus Name, amen
